

The IRONMAN 70.3 Maine Team would like to thank you for your hospitality during the 2025 IRONMAN 70.3 Maine. On Sunday, July 27, athletes will visit the City of Augusta and surrounding communities to test their physical and mental limits. Over the course of the day, they will complete a 1.2-mile swim in the Kennebec River, a 56-mile bike up and down Kennebec River Valley, and a 13.1-mile run in succession. We ask for your continued cooperation and understanding on race day as you travel around the region. We appreciate your support and ask that you proceed with caution, utilize detour routes if able, and allow for additional travel time to your destination. Participants count on you for motivation on race day, so bring your friends and cheer them on, or even volunteer! We look forward to another great event and hope to see you out there!
